

START A SCHOOL PROGRAM

Starting Your Club

Looking for a great way to introduce your students to a winter sport with lifelong rewards? Start a Ski/Board Club at Greek Peak Mountain Resort! The Student Program Pass includes 6 weeks of skiing/snowboarding and either 2 or 4 weeks of lessons. At the end of the 6 weeks the pass remains valid for students to continue to ski/snowboard. Then after March 14th the Program Pass converts to a Season Pass for the remainder of that season. Parents can sign up too for the same pass and if you already are a Season Pass Holder at Greek Peak you can still sign up to come with the School

Getting Started is Easy and we will help! Below is a guideline to follow to get started:

1. Choose a Day:

- Select a day and time frame that you would like to bring your group. Programs days are Wednesdays, Thursdays, Fridays, Saturdays, and Sundays.

2. Select your Program Advisors and Chaperones

- You can have one lead advisor for each school (Elementary, Middle, and High School). You can have one co-advisor for each school. You can also have one official chaperone for every ten students that ride your bus.

3. Complete Registration

- Complete and submit the Program Registration form to Kimberly Thayer. Registration will open for your program as soon as this form is received and all necessary updates are completed. Once you submit your registration form we will create and print flyers that includes all of the information that you need for your program to distribute to the students in your area/school.

4. Start Promoting

- Start promoting your club as soon as possible
- We are able to provide flyers in which you can disburse to every student in every classroom, any club you are affiliated with, your local grocery store, PTO meetings, everywhere!
- If a student is interested but has already bought a Season Pass, we have options for them to be able to come with your group.
- If you require additional marketing assistance, please contact Kimberly Thayer. We will coordinate with Greek Peak's Marketing Team to setup a fun assembly at your school.
- We would gladly come to any Open Houses or PTO meetings etc. to help promote and increase signups for your program.

5.Student Signup

- Provide the online registration instructions to students and parents and have them sign up to come have fun!
- Payments in full must be made prior to the start of the program. Any participant that has not paid in full will not receive their program pass until the full balance has been paid. This includes partial or full payments made by the school district or sponsoring group.
