Course Description

Greek Peak offers five levels of ski and snowboard instruction based on ability level. You will select the appropriate level class upon registering with Greek Peak. ***Please select the class that best fits your ability level.***

Never Ever (Level 1)- this level is for those who have never tried skiing or snowboarding

Beginner (Level 2)- this level is for those who have skied or snowboarded before, are able to get on and off a chairlift and are comfortable on green circle (easy) trails

Intermediate (Level 3)- this level is for those who can link turns but still moderate speed and are comfortable with blue square (intermediate) trails

Advanced (Level 4)- this level is for those that ski/board with good technique on all terrain and snow conditions and are able to ski black diamond trails with confidence using carved turns.

Expert/Instructor Development (Level 5)- this course is for advanced level skiers and boarders interested in teaching skiing or snowboarding. Ski & Ride School policies and procedures, progressions in learning, and teaching skills are some of the areas that will be covered.

The Ski and Snowboard courses run for six (6) consecutive weeks on the same day/time, starting on **Saturday, 1/22/22 and concluding on Saturday, 3/5/22**. Refund Requests Submitted Prior to the Drop Date: Any student that drops the course

prior to the College's drop date will be entitled to a refund of the remaining classes (lessons & rental fees) needed to complete the four class requirement for a passing grade. You must contact the college Program Director at Greek Peak *and* turn in your RFID pass along with your credit card information prior to the next scheduled class. Your refund will be based on the number of remaining classes not taken that would be required to receive a passing grade, minus a \$10 processing fee. The transportation cost (\$200) included in the class cost has been paid in full to the bus company and is non-refundable. All refunds are issued as a credit back to the credit card used when paying for the class.

Refunds for Medical illness or Injury: Anyone seeking a refund must send a request, including medical documentation of illness/injury (physician's statement or hospital report, containing diagnosis and treatment), to the College Program Director, Mary Gerlach, immediately following the incident and prior to the next scheduled class.

The amount refunded will be a prorated portion of course fees (lesson and rental fees) based on the number of required sessions remaining after the occurrence date of the medical condition preventing participation. The bus transportation charge (\$200) is not refundable. All refunds will be issued in the form a credit card "credit" for the equivalent of the unused services of Greek Peak, less Greek Peak's \$10 processing fee.

There will be no refund of course fees if withdrawal occurs after the completion of the 4th lesson.

Clothing:
