

Skiing and Snowboarding – Spring 2023

Last Day to Add: Wednesday, Jan 25th

Last Day to Drop: March 11, 2023

Dates: Jan 28, Feb 4, Feb 11, Feb 18, March 4, March 11

Transportation

Every student enrolled in Skiing and Snowboarding must ride the bus.

Swarthout Coach Lines will pick up on campus at two locations: West Campus near the Baker Flag Pole (at the bottom of the slope) and on North Campus next to RPCC. Please arrive early.

All students must ride the bus to and from Greek Peak.

Saturdays – Bus pick up at West Campus – Baker Flag Pole bus stop at 11:30am. Bus pick up at North Campus- RPCC bus stop at 11:45am. The last bus leaves campus at 11:45pm. Depart GP at 5:30pm.

Attendance

Attendance will be taken on the bus both going to and coming from Greek Peak. If the student is not on the bus both ways, they will not get credit for the session.

When you arrive at Greek Peak by bus, you will be met by a Greek Peak Representative, who will take attendance, and distribute your RFID Go Pass and rental card (if needed).

Failure to be signed-in by your instructor will result in your being marked absent from class which will affect your grade.

You must attend the first class in order to continue your enrollment in the course.

Students must attend 5 out of 6 sessions to pass this course.

Lessons

All lessons meet at the Lesson Meeting Spot located next to the Alpha Slope (Beginner's Chair Lift). If exiting the rental building, proceed directly across metal bridge. Please be there 10 minutes before lesson time.

Beginner Lessons at 1:30PM. Intermediate and Advanced at 3:30PM

Student Responsibilities

To finalize registration for Greek Peak Skiing or Snowboarding, you must log onto the Greek Peak College Ski Program website for Cornell students (<https://www.greekpeak.net/ski-ride/school-programs/college-pe-programs/>)

Students must allow enough time to check in, change into their skiing attire, check out equipment if they are renting and get out to the lesson area. Please allow a minimum of 30 minutes to do so. 45 minutes is recommended.

All students who sign up for this course are responsible for checking their University email for messages. Communications like class cancellations will be posted here. Please check for your messages the day before and the day of your class.

Note about Canvas

If a student wishes to drop this course to avoid a failing grade, they must do so before last meeting day of their class (March 11*double check*). Once the last day of the class has ended, university policy requires that any students still registered may not be dropped and must have a grade posted for them. To drop the course students must contact Todd Webster at Cornell (tsw67@cornell.edu) and Molli Rainbow at Greek Peak (mrainbow@greekpeakmtnresort.com). Failure to contact both parties will prevent you from properly dropping the course.

Fees

Students pay all course fees, lesson fees and transportation fees directly to Greek Peak. Greek Peak processes all refunds. Students seeking any refunds must contact the College Ski Program Coordinator Molli Rainbow, (mrainbow@greekpeakmtnresort.com).

The course fee is based on students attending 5 mandatory sessions. The scheduled 6th week is optional for those students who have already completed the 5 required dates. Students may attend the 6th session at no additional charge.

Refund Policies

To receive a pro-rated refund, students must drop the course on their Cornell Student Center account by the posted deadline **March 11, 2023**.

Students who drop the course and seek a refund must contact Molli Rainbow (mrainbow@greekpeakmtnresort.com), the College Ski Program Coordinator immediately regarding the refund.

Any student that drops the course prior to the College's drop date will be entitled to a refund of the remaining classes (lessons and rental fees) needed to complete the 5 class requirement for a passing grade.

You must contact the college Program Director at Greek Peak and turn in your RFID Go Pass to the Cornell Physical Education Department along with your credit card information prior to the next scheduled class.

Your refund will be based on the number of remaining classes not taken that would be required to receive a passing grade, minus a \$20 processing fee. The transportation cost included in the class cost has been paid in full to the bus company and is non-refundable.

All refunds will be issued in the form of a credit card "credit" for the equivalent of the unused services of Greek Peak, less Greek Peak's \$20 processing fee and Cornell P.E.'s \$20 service fee.

Medical Refunds

A consideration will be given for medical conditions (occurrences) that prevent an enrollee from participating in or completing their ski/snowboard course. The consideration is as follows:

If a student is injured and not able to continue in the course, they must send a request, including medical documentation of illness/injury (physician's statement or hospital report, containing diagnosis and treatment), to the College Program Directory, Molli Rainbow (mrainbow@greekpeakmtnresort.com), immediately following the incident and prior to the next scheduled class.

The amount refunded will be a prorated portion of course fees (lesson and rental fees) based on the number of required sessions remaining after the occurrence date of the medical condition preventing participation.

The transportation cost included in the class cost has been paid in full to the bus company and is non-refundable.

All Refunds will be issued in the form of a credit card "credit" for the equivalent of the unused services of Greek Peak, less Greek Peak's \$20 processing fee and Cornell P.E.'s \$20 service fee. There will be no refund of course fees if withdrawal occurs after the completion of the 5th lesson.

Grading

To receive college credit and a passing grade, you must:

- 1) Attend the first two scheduled sessions (input dates). A session consists of a lesson and at least 3 hours of practice.
- 2) Attend a total of five (5) sessions.

QUESTIONS: Contact Molli Rainbow (mrainbow@greekpeakmtnresort.com), or Greek Peak at 888-974-8024

PE 1330 - Beginning Downhill Skiing
